WHAT THE PRESS HAS SAID:

CRAIG CAMPBELL

"bringing a tale to life like a young Billy Connolly"
Edinburgh Evening News

"Craig is, simply, a very, very funny man."
Steve Bennett, **Chortle**

"A supremely confident, gifted comic."
The New Zealand Herald

"Craig kicked butt in a very definitive way."
The Eye, **Toronto**

THE DINKS

"Quite simply the daftest, silliest and most uplifting show I have seen."
Stephanie Merritt, **The Observer**

"Crude humour and slapstick, coupled with sharp satire, makes for a very entertaining hour."
Jason Ahad, **Fest ******

"The Dinks should carry a health warning: their humour's so cutting, an audience could seriously hurt themselves – laughing ... There three fine comics might leave your giggle guts rumbling for more of each course – but only if you're greedy."
James Mullighan, **Scotsman ******

"The Dinks, starring Dan Antopolski, Craig Campbell and Tony Law, is as enjoyable a three-handed slapstick romp as you could hope to find in a Three Stooges or Marx Brothers movie."
Stephen Armstrong, **The Sunday Times**
