

## SADIE HASLER

Star of **Al Murray's Multiple Personality Disorder** (ITV1), Sadie is also an established writer and live performer. She has appeared alongside Russell Kane in three sell-out Edinburgh shows – including the **if.Comedy Award**-nominated **Gaping Flaws**, which subsequently toured the country to great acclaim.

Sadie is currently appearing in the touring production of **Russell Kane's Fakespeare: The Tragickal Savings of King Nigel**, and will be debuting her solo hour of darkly comic character comedy at the Melbourne Comedy Festival this spring.
